**Great River Outings and Events hosted by Minneapolis Riverfront Partnership**

It's time to get out and learn how you can impact the revitalization of the Mississippi riverfront in Minneapolis!

The 2011 'Great River Outings and Events' series, sponsored by Minneapolis Riverfront Partnership, offers unique walking tours, diverse forums based on Mississippi river issues, and entries into exclusive spaces that neighbor the River.

The 2011 schedule runs from October 19<sup>th</sup> – December 31<sup>st</sup>, 2011. It will consist of at least ten events including an intimate tour of the Grain Belt Brew House and office building, snowshoeing at North Mississippi Regional Park, exploring the Hawthorne and Old Highland neighborhoods' limited river access and more.

Most tours are FREE. Pre-registration and more information is available at <http://www.minneapolisriverfrontpartnership.org/>

At each event, guides with experience in fields like ecology, history, community planning, and preservation will tell the 'stories behind the story' and give participants a greater understanding of how the community can facilitate and support coordinated revitalization of the Mississippi riverfront in Minneapolis.

Tours and events will be held regardless of inclement weather. Participants are strongly urged to pre- register online; however, when space allows we will accept last minute additions at the tour starting points.
