

MINNESOTA'S NEW MULTI-PURPOSE STADIUM CONSTRUCTION UPDATE

JANUARY 28, 2014

Dear Neighbor,

As you know, the Minnesota Sports Facilities Authority (MSFA) in partnership with the Minnesota Vikings is building a new, multi-purpose stadium on the site of the Metrodome. Mortenson/Thor is overseeing construction and will provide community construction updates on a regular basis.

We want to inform you that the tower crane assembly and erection is ongoing. To accommodate this process, 11th Avenue will be reduced to two lanes between the Light Rail Transit Line and 5th Street, starting at 8:00 pm tonight through 5:00 am Friday, January 31. The west two lanes will be closed. The bike lane will be closed, but the roadway can be utilized. The sidewalk on the east side of 11th Avenue will remain open.

We will continue to update the neighborhood on the construction of the Minnesota Multipurpose Stadium on a regular basis. If you have any questions, please do not hesitate to contact me directly.

Regards,

Lynn R. Littlejohn
Director of Community Affairs
Mortenson/Thor
