

# HENNEPIN COUNTY MEDICAL CENTER clinic and specialty center CONSTRUCTION UPDATE

June 2016

Dear Neighbor,

As you know, Hennepin County Medical Center is building a new clinic and specialty center on the site bounded by 8th Street, Chicago Avenue, Park Avenue and 9th Street. Mortenson is overseeing the construction and is providing neighborhood construction updates on a regular basis

As you are aware, construction activity is ongoing. We will commence pulling pile, Friday, June 30 and continuing through August, between the hours of 7:00am and 6:00pm. During these times, you can expect continuous vibrations due to steel being pulled from the ground.

We will continue to update the neighborhood on the construction of the clinic and specialty center. If you have any questions, please do not hesitate to contact me directly.
