Re: LUC Goals & Activities, November 13, 2018

The DMNA Land Use Committee works to promote:

- A safe, active, and welcoming downtown public realm
- A stable, civically engaged residential neighborhood
- Architecturally distinctive urban design

* * *

It does so by:

- Reviewing and responding to development projects proposed within DMNA boundaries; and
- Addressing public issues and policies that affect these goals, through dialogue with elected officials, relevant public agencies, downtown residents, and others.
