RE: McKesson Building – Parking Lot Improvement Project – Administrative Site Plan Review

Dear Lindsey:

I am writing to you on behalf of the Downtown Minneapolis Neighborhood Association regarding parking lot improvements at the McKesson Building located at 241/251 1st Avenue North. Trisha Sieh, from Kimley-Horn notified the DMNA on May 30, 2019, and attorney Brian Weisberg, from Siegrell Brill met with the DMNA Land Use Committee on June 11, 2019.

Weisberg explained that the owners of the property are submitting an application for an Administrative Site Plan Review. They intend to reconstruct the parking lot behind the McKesson Building after the development of the 240 Hennepin Avenue apartment tower. As a result of the reconstruction, they are reducing the number of parking stalls by 14, but they will be adding 2,200 SF of landscaping.

After some questions and discussion, the Land Use Committee recommended approval of the Administrative Site Plan Review for the parking lot improvements at the McKesson Building. If you have any questions about this letter, please feel free to contact me at christie@thedmna.org or by phone at 320-583-4573.

Sincerely,

Christie Rock Hantge
