Please describe your experience with nonprofit organizations and/or boards, plus list any previous experience volunteering with the DMNA.

I have previously served on the Shalom Home Health Care system Board of Directors, several privately held company Boards, work with Boards of Directors of many non profit residential condominium and townhome associations and am currently a member of the DMNA HOA Advisory Group.

Why do you want to join the DMNA Board?

I resided in downtown Minneapolis from 1980- 1991, left to raise a family and returned to the DT West neighborhood where I have been residing for the past 11 years. While the DT West neighborhood is geographically twice as big as the DT East neighborhood, through the years there has been very little representation on the DMNA Board of Directors from the DT West residential and business community. My primary reasons for wanting to serve on the DMNA Board of Directors is to address safety, security and livability issues in both the DT East and West neighborhoods.
