**Q4**

Why do you want to join the DMNA Board?

I would like to continue serving on the DMNA for many reasons. I am fully committed to serving the community and strengthening the DMNA role through the newly established Public Safety Task Force, the HOA Advisory Group, and the Civic Engagement Committee. The reputation of Minneapolis is at stake right now with all that we have encountered in the last several months. I am committed to working to bring all the appropriate parties together to have resident and business input to assure Minneapolis becomes the City that we all want it to be, assuring economic recovery for property values and businesses.
