Dear Downtown Minneapolis Neighborhood Association,

My name is Josiah Laney and I am a representative of the United States Department of Justice. I am reaching out in furtherance of our investigation into the City of Minneapolis and the Minneapolis Police Department (more information can be found [here](#)). A large part of our investigation consists of community engagement and hearing from the various voices and experiences of the Minneapolis community.

I am reaching out to let you know that our team (myself and Ethan Trinh, copied to this email) will be conducting some virtual outreach next week (September 20th) and we are interested in setting up a meeting with the Downtown Minneapolis Neighborhood Association. We would like to hear more about the association and the community that you work with, as well as share information about our investigation and answer any questions that you may have. If you are open to meeting with us next week please respond and let me know what times would work best for you and the association. If you have any questions, please feel free to call (202-532-5071) or email me (josiah.laney2@usdoj.gov). Thank you, and I hope to hear from you soon!
