Current committee member for my employer's RBA Cares Foundation 10/2021-present

Previously the Social Media and Content Manager for the Minnesota Orchestra 08/2017-10/2021

Former Board Member with Eau Claire Jazz, Inc. in Eau Claire, WI

Former staff member of nonprofit KIDS from Wisconsin

Volunteer interest in Civic Engagement Committee of DMNA, but haven't had the opportunity to collaborate yet

Q4

Why do you want to join the DMNA Board?

I'm interested in joining the DMNA Board as an opportunity to give back and be a part of the revitalization of Downtown Minneapolis. I have been a downtown resident since 2017 and have loved watching the neighborhood thrive with special events, new construction, and opportunities for the community to come together. I believe the DMNA has a tremendous opportunity to foster a vibrant neighborhood that is safe through connection and activity and takes pride in its presentation and overall welcoming feeling.

With the DMNA Board I would be interested in being actively involved in the Civic Engagement Committee to provide opportunities for neighbors to volunteer and connect. Specifically I believe events, service opportunities, greening, business support/promotion, etc.

I am also interested in being a voice on the board for fellow downtown renters. My generation wants to give back, be involved and know about exciting happenings where we live. I think there are more people who would support the DMNA and downtown through increased promotion and outreach to the rental community.

Thank you!

Locally I was on Community Education board, public library board, and parish committees for more than 8 years. My volunteer service includes Library & Literacy partnership, Bicentennial Commission and AAUW. We have lived downtown since 2005 and worked for Mill City Farmers Market for 3 years.

Q4

Why do you want to join the DMNA Board?

The board is where the forward action is for the future of downtown and I want to be part of its success.

Board of Directors, MN Advertising Federation: 2015 - 2019

Vice President, Board of Directors, MN AMA: 2016 - 2019

ACLU Ambassador: 2020 - Present

Habitat for Humanity: 1999 - 2002

Swedish Medical Center, WA: 2010 - 2011

Story Producer, Mortified: 2015 - 2018

Volunteer, MN Women's Indian Resource Center

Q4

Why do you want to join the DMNA Board?

I have lived and worked in downtown Minneapolis for over 12 years. I am engaged in the community personally and because of our business. What is top of mind currently is the shifting atmosphere and culture of downtown. Public safety is certainly a component, but also the changing landscape of work. I am committed to living downtown and I would like to have a more active role in helping to shape the next chapter of development here in Minneapolis.

Dianne has resided in downtown Minneapolis since 1995. During her career as an attorney, Dianne maintained the highest possible rating with Martindale-Hubbell.

Since her retirement from the practice of law in 2015, Dianne has devoted considerable time to volunteer work.

She volunteered for six years with Wellstone International High school assisting with the ESL program. She co-chairs two separate art programs in her condominium building. She was elected to the DMNA in October of 2016. She has been treasurer of the DMNA since her election. She has served as chair of the DMNA Branding Committee for three years. She initiated the DMNA Historic Signage project and has chaired the Committee for the past two years, overseeing the research and writing of building histories and the creation of historic signage for approximately three dozen downtown buildings. She intends to continue with the project through 2023.

She has also been secretary of the HOA at her family's lake home for approximately twenty years.

Dianne brings to the DMNA strong writing and organizational skills. She is committed to living downtown and supporting its vibrant residential neighborhoods.

Q4

Why do you want to join the DMNA Board?

It is important to continue membership on the DMNA Board so that the Historic Signage Project can be completed.
